

FRIENDLY PARK

Neighborhood Workshop # 1

October 14, 2004

Comment Sheet

Welcome to the Friendly Park neighborhood workshop. The purpose of this workshop is to capture your ideas and opinions on upcoming improvements to this park. Your comments are important, and will be considered by the City of Eugene Parks Planning team over the next few months as the design process unfolds. Please take a moment to write down any comments you might have about Friendly Park. Some questions have been provided to help you organize your thoughts, but feel free to comment on any subject you wish pertaining to the park or the planning process.

1. In what ways do you think the park can **benefit** you, your neighborhood, or your community?
2. What do you feel are some of the most **important issues** facing the park?
3. What **existing features** or aspects of the park site do you like most, or feel should be preserved?
4. What do you think needs to be **improved or changed** most?

5. What are some of the **activities and/or facilities** you would like to see happen in the park?
6. What **other considerations** are important for the success of this park?
7. Any other comments?
